Grey Oak

The versatile grey oak wood trend is a great way to bring a modern, urban feel into the office or your home. Already a firm favourite in the interior design scene, its neutral tone adds an air of sophistication but can still adapt to any colour or style. The grey trend is here, from home decor and interior design to fashion, and new for 2021 our desks, storage & tables are available in a new grey oak finish - and they're very much in demand!

Facile

Facile is an ergonomic and sophisticated seating solution that provides exceptional comfort throughout the working day. It is the perfect chair for those who spend hours sitting at the computer and then quick to change between shifts, with adjustable 4D arms and an adjustable lumbar support. Constructed with a breathable mesh fabric material, this stunning office chair can be adjusted to many positions to suit the unique requirements of the user.

Chatbox

Designed and developed by industry-leading acoustic experts, the Chatbox telephone booth is adequate for one person and is the perfect peaceful environment for phone calls away from the noise and distraction. The sleek, modern design is carefully crafted to provide impeccable form, function, design and durability, offering next generation privacy for a new normality. Chatbox is a space to focus on your own or make uninterrupted phone calls.

Protective Screens

Our acrylic desktop protection screens reduce the risk of airborne germs between colleagues whilst still enabling them visibility. Protection is made from 5mm clear acrylic and is supported by metal feet or brackets to retro-fit to existing worktops or to add a layer of protection to existing screens. They are easy to install, maintain and disinfect and provide a professional solution that is easy to place and move for the office, reception or counter.

Como

Fashions in furniture change nearly as quickly as clothes, but one thing that never goes out of fashion is a piece of furniture for people who place value on stylish design and functional décor. The Como range of dining and meeting tables with solid, tapered wooden legs exemplifies elegance and sophistication, and the white metal frame endows the table, bringing a touch of unique charm to any interior

Home Office

The jury is still out on whether employees who work from home or work from an office are more productive. But with a dedicated workspace where you can concentrate and good quality furniture designed specifically for home workers, it becomes easier to unlock the benefits of remote working. Create an inspiring area to work in the home office with sleek office desks, comfortable seating and clever storage solutions.

Tikal

Juna

Beautifully crafted and elegant in design, Juna offers an informal refuge for employees and visitors alike. The Juna chairs offer an exceptional level of comfort and are smartly sized to make a big impression, even in small spaces. Designed to meet different needs of different work areas, this comfortable lounge chair will always soothe your stresses and fatigues caused by work with its warm embrace and entertain your guests with its ergonomic design.

Suzi

Suzi is intentionally a simple chair, yet it still vibrantly enhances a space with effortless versatility. With a gently contoured seat and back that provides even support without creating pressure points or restricting movement, Suzi provides comfort all day long. The ability to offer mix of materials, colours, base options and arms make Suzi a lively offering with a fresh approach to standard seating so people feel at home in any space.

Remy

Remy is a high full upholstered high stool with gentle moulded curves that invites people to sit and gather for casual conversations. Versatile with a contemporary design that offers new heights of comfort and value, the modern styling of the sculpted back is complemented with 4 base options in wooden leg and sled frame variants to make it a perfect choice for every area of the office environment.

Roscoe

The Roscoe high stool collection is a multi-tasker with a chic aesthetic that sets a new bar for plastic seating with an ingeniously simple design allows the back to flex, which encourages movement and relaxation. Roscoe's tapered contours and curved seat and back design deliver a refined aesthetic that is built for long-lasting function, ideal for cafes, office kitchens, dining halls - anywhere elegant, durable seating is needed.

Saxon

Saxon tables bring people together, inspiring conversation and collaboration. Whether it's to grab a bite to eat or engage in lively conversation, Saxon tables with their curved table top edges and wooden legs are perfect for anywhere people gather. Suitable for not only café and canteen areas, but also as a range of worktables where these extremely versatile and adaptable tables offer users a comfortable working position when people need some time away from their desk.

Silen

Offering visual and acoustic privacy solutions, our Silen acoustic hubs are inspirational spaces which provide anything from a designated shelter for employees to escape from the busy work environment, to a space for one-to-one chats, or a meeting place for working groups. Creating spaces with endless functionality, Silen acoustic hubs are also perfect dividers for work and relaxation areas, and you can just activate the wheels and roll your private retreat easily wherever you're in the mood.

Flo

The Flo modular shelving system epitomises the future of adaptable, modern design. Go with the Flo with an infinite number of layout options and shapes to help create work zones in any space to promote privacy or transparency as needed. The crisp, clean aesthetic of the black frame allows you to break up the workplace landscape while bringing together a wide range of complementary components and products – and, never compromising on design.

Moby

Catering to modern day office needs, this contemporary mobile multi-media unit has all you can ask for in good looks as well as practicality. Moby makes it easy to collaborate and share information in presentations, brainstorming, or classroom settings. Sturdy, strong and easy to move around, it can be equipped with a marker board on one side and a TV on the other, with removable side panels for access to power and hiding unsightly wires.

Acoustics are essential in making our surroundings enjoyable by minimising noise, controlling reverberations and general improving the quality of the acoustic environment in office, education and commercial interiors. The Piano Acoustics range of screens, wall tiles, private booths, suspended panels and patterned dividers provides open plan offices and breakout spaces with multiple levels of acoustic absorption which are not only colourful and modern additions to the office aesthetics, but are also pertinent to the task at hand in each area.
